

SUMMARY/OBJECTIVE

Highly qualified and goal-oriented individual with experience in related service fields. Enjoy creative problem-solving and getting exposure to multiple tasks, and I would excel in the collaborative environment in which your company prides itself. I am a passionate person that always excited to learn new things and challenges. Meanwhile, able to work independently and also play an excellent team player in a fast-paced environment. Looking to leverage my expertise and experience into a career to fulfill organizational goals. Very interested in data analytics, machine learning and ai development. Involved in many AI related projects

EXPERIENCE

CASHIER

July 2022 – August 2022

7 Eleven

- Processed customer purchases, returns, and exchanges accurately.
- Provided excellent customer service by assisting with inquiries and resolving issues.
- Maintained a clean and organized checkout area.
- Monitored inventory levels and restocked shelves as needed.
- Ensured proper pricing and displayed promotional items.
- Counted cash drawers at the beginning and end of shifts to ensure accuracy.
- Followed all cash handling procedures and ensured the security of the cash drawer.

STOREKEEPER

February 2020 – April 2020

99speedmart

- Managed and maintained inventory levels to ensure adequate stock availability.
- Conducted regular stock takes and placed orders for replenishment when necessary.
- Received, processed, and organized incoming stock by delivery orders.
- Issued purchase orders for stock ordering and maintained accurate records.
- Handled various office tasks such as filing, generating reports, and managing documentation.
- Restocked depleted or low shop items and ensured the sales floor was organized according to established guidelines.
- Assisted customers in locating desired shop items.
- Performed regular price audits to identify and correct price discrepancies.

EXAMINATION INVIGILATOR

November 2019

UKM

- Supervised students during examinations to ensure adherence to exam regulations.
- Checked student identification and verified attendance.
- Distributed and collected examination papers and materials.
- Monitored the examination environment to prevent cheating and other forms of misconduct.
- Assisted students with any issues or questions that arose during the examination.
- Report any irregularities or incidents to the examination coordinator.
- Ensured that the examination venue was set up and cleared appropriately before and after the exams.
